Seaton remembers Bomber Command

MEMORIES of a Seaton airman lost in World War II were rekindled this week.

The tragic tale of Flight Sergeant William (Bill) Smith resurfaced after a major public memorial to commemorate Bomber Command airmen was unveiled in London.

By Laura Goldsbury Noy
laura@pemedi.co.uk

Seaton historian Ted Gosling dug out a photograph taken in 1937 and a letter sent two days before Bill was lost in action in 1944.

The correspondence

between Bill and his school friend Douglas Littley, also known as Nib, is all that remains of Bill's story.

Bill Smith was reported missing on February 13th

1944 - he was just 19 years old.

The only son of Edgar Smith, owner of a cycling shop in Seaton, Bill was never found after he took part in a Lancaster raid on central Germany and Berlin.

As the curator of Seaton Museum, Mr Gosling is pleased that the thou-

sands of lives lost and those who served in the Bomber Command Squadron can finally be remembered.

He said: "Out of 800 aircraft that would take off during the Second World War, around 100 would never come back and the tragic loss of 55,573 airmen is something we should never forget.

"There were arguments from people who did not necessarily live during the war that suggested that bombing the Germans was wrong, but just in East Devon alone, we suffered with the blitz with three days of terror on Exeter and even Seaton itself being targeted.

"None of the mistakes were made by the airmen, they were merely fulfilling their duty to

their country, following orders and believed they risked their lives for a great cause.

"The Bomber Command airmen helped to win the war, and like the many who lost their lives, or are veterans today, they should all be remembered."

The nine foot bronze memorial sculpture depicting seven Bomber Command aircrew was unveiled by the Queen in London's Green Park last Thursday. The memorial comes after five years of campaigning by the Bomber Command Association.

For many veterans and family members it represents closure and a long-awaited acknowledgment of the significant contribution made by the 125,000 men who served

On the brink of an Olympic place

EAST Devon gymnast Imogen Cairns faces an anxious wait before learning whether she has been selected to represent Great Britain at the Olympic Games in London.

Cairns, whose family live in the hamlet of Southleigh near Colyton, staked a strong claim to be included in the five-strong women's squad after a good performance at the British Championships, in Liverpool, over the week-end.

Coach Liz Kincaid said she was delighted with Cairns' performance and admitted she couldn't have done any more in the final trial before the selectors reveal their decision tomorrow (July 4th).

Quote of the week...

“THERE were arguments from people who did not necessarily live during the war that suggested that bombing the Germans was wrong, but just in East Devon alone, we suffered with the blitz with three days of terror on Exeter and even Seaton itself being targeted.

“None of the mistakes were made by the airmen, they were merely fulfilling their duty to their country, following orders and believed they risked their lives for a great cause.”

Seaton Museum curator Ted Gosling commented on the role that Bomber Command had in ending the Second World War as Seaton remembers Flight Sergeant Bill Smith, a local man who was lost on one of the bombing raids during the week that The Queen unveiled the memorial to the brave airmen.

AXMINSTER

Police defend torch escort

AXMINSTER police has defended its deployment of four officers to escort a torch-bearing party.

A member of the public contacted *Pulman's View* after having seen the procession, and felt the police presence was "over the top", especially when the force is stretched by a challenging budget.

The event in question took place on Wednesday, June 20th when a group of about 30 pupils from St Mary's and Axminster primary schools gathered at Sector Lane before embarking on a walk to Hawkchurch Primary School as part of an Olympic torch relay.

Hawckchurch resident Clive Lewis felt the amount of police was over the top. He said: "We were driving towards Axminster and there were three police cars. There was one ahead near the hotel, and two cars with the group.

"Children have to be protected but I thought the number of police was a little high."

Axminster-based police sergeant Peter Trudgeon defended the decision to deploy the number of officers and vehicles.

He said: "I can confirm we did have a four officers involved in the event. There were three police community support officers - one from Axminster and two from Seaton - and the local neighbourhood beat manager Simon Rodgers.

"The school approached us and asked for our support with the event. We reviewed the original planned route with the school and made a few changes for safety reasons. The route the children took was the safest route they could have taken.

"At certain roads/junctions along the route, we needed additional police vehicles to stop the traffic whilst the children were on the road.

COLYTON

A SPORTS provision vote has been organised for the residents of Colyton parish.

East Devon District Council has a pot of £22,500 to spend on sports provision and the vote to decide how the money will be spent will be held on Saturday, July 7th.

Colyton parish includes Colyford and the vote is jointly organised by EDDC and Colyton Parish Council.

Votes can be cast from 2.30pm during Colyton Church Fete in Church Green, Colyton.

The money has come from recent housing developments through what is known as Section 106 agreements with developers.

From the editor's chair Recognition at long last

THIS has been a momentous week for those veterans of the skies who made up Bomber Command.

At long last their brave but unenviable deeds in carrying out bombing raids over Germany, often in daylight, have been recognised with the opening of a memorial by the Queen in Green Park.

It was an emotional occasion for the former RAF pilots and air crew who put their lives on the line in the most horrendous of circumstances.

To a man, their thoughts were with their colleagues who never returned. One of those was Flight Sergeant Bill Smith, who was reported missing in 1944. He was just 19 years-old.

Shortly before his last and fatal mission over Berlin, Bill wrote to his friend Douglas Littley looking forward to 14 days leave. The two were never to meet again.

A display honouring the memory of Bill and the many other brave young men who never returned goes on show in Seaton Museum this week and

our Seaton edition carries a touching tribute from museum curator Ted Gosling.

■ **AND** now to more mundane matters. It's humble pie time again.

For some inexplicable and inexcusable reason, in recent weeks I have been referring to the Axe Vale Festival as "one of Devon's most popular one-day shows."

I know perfectly well that the festival runs over two days, always has and probably always will. I've even exhibited at the show on many occasions and cursed having to clear up late on a Sunday afternoon.

I have no excuses. I have apologised profusely to Claire Morgan, the festival's new chairman, who has graciously accepted my "senior moment".

And to all those of you have written sarcastically and rudely highlighting my aberration, I am truly sorry.

OTTERY St MARY

THE King's School bosses say their decision to apply for academy status has paid off to the tune of almost £2million in one go.

The school was told on Wednesday June 27th that it has been promised £1.9million by the Department for Education for essential construction work.

A statement issued by the school said: "The King's School is pleased to announce that we have been successful in our application for £1.9million of funding from the Department for Education to replace eight of our old and temporary classrooms with a newly built classroom block."

SIDMOUTH

Council to explain Knowle move

EAST Devon District Council will stage three "Moving and Improving" public events in Sidmouth to explain the reasons behind its proposed move from the town to Honiton.

The communication events will take place in July.

They are likely to be followed by the submission of an outline planning application on August 17th, which could be heard by committee on November 16th.

It is stressed, however, that there is no guarantee the move will go ahead even if the planning application is approved.

An EDDC spokesperson said: "The move will go ahead only if the council can cover its costs through releasing the site at Knowle for a suitable type and scale of redevelopment."

EDDC Leader Paul Diviani said: "We know that there is a lot of interest in this proposal. There are many who are sceptical about the rationale for the move whilst some oppose our ideas. We want to give this a good public airing so that we can have a two-way discussion about the proposal.

"We want to ensure that people understand why we think the move is the best option and what the advantages would be."

Seaton Lions help nine local groups

By Laura Goldsbury Noy
laura@pemedial.co.uk

MEMBERS of Seaton and District Lions Club held an evening of celebration when they donated money to nine local causes.

Known for their generosity in the town, the Lions group presented a number of cheques at Seaton Town Hall last Tuesday at a special presentation evening, supporting a number of worthy causes.

Presentations were made to Seaton Town Football Club for £100 and a further £400 was invested in the club's youth division.

National charity Whizz Kids received £250 toward providing specialist mobility equipment for young people up to the age of 24, with each piece costing up to £6,000.

The next to receive their cheque were representatives of the Seaton Mother's Union, who received £250 toward their ongoing work.

They have knitted over 6,000 colourful squares which will be sent to Zambia for children to create their own colourful blankets and throws; the money donated will contribute toward postage costs.

Seaton and District Club for the visually impaired received £150 which will be spent on a special tea and outing to Colyton Methodist Church in August, whilst the West of England School and College for the blind and partially sighted received £750 toward their mini bus to enable the school to take children out on a regular basis more freely.

Seventeen-year-old Mary Kellam also received a cash boost of £250, which will support an upcoming travelling project to Zimbabwe led by African Impact.

Mary will be volunteering at a medical clinic and orphanage, supporting HIV and aids education as well as wildlife work such as lion conservation.

Seaton Majorettes also benefited from the Lions' charitable fundraising when they received £500 toward their new 'ice outfits' which will be revealed at Seaton's

annual illuminated carnival in September.

The final presentation was made to Angie Baldwin of the Royal National Institute for the Blind who came to receive £399, which will help with the purchase of specialist video magnifier equipment to help with reading for those who are partially sighted.

Seaton Lions Ladies also jumped in to support local causes, helping organisations and charities such as Macmillan Nurses and Seaton in Bloom and presenting Carole Manley of Seaton Voice with £400 toward the town hall's lighting.

Seaton Lions President Dennis Morgan, who presented the cheques, said: "We love to give money back to our working patch and support as much as we can."

"We are very pleased to support such a number of local organisations and groups, however big or small the cause."

Bill's last letter

Dear Nib,
Just a line to let you know how things are going once again. Thanks for mail, I received one of your letters ok on return from leave and the other last week.

Talking of leave reminds me, we are due for our second 14 days in about a fortnight's time.

Well, Nib, things have been on the top line

recently. Our pilot received an immediate award of the DFC for 14 trips to Berlin - see the citation in the papers this week - our radio op also had the DFC, so things are looking up.

On top of that, we were all introduced to the King and Queen last Thursday. I spoke to both of them and shook hands with the Queen. Gee - but she is marvellous.

Yes the general idea is for us to pack up for good after the next 15 trips. If I get through ok I shall have seen enough excitement for one war.

Let me know if you come up this way and I will see what can be fixed up. By the way, I wish they put the Home Guard on the German Flak Guns. Guess that's about all till next time so over to you.

Cheers, all the best from Bill.

■ **REVELLERS:** Jason Hill (ball organiser), Karen Bailey (chairperson), Victoria Paley (secretary) and Thomas Stuckey (treasurer) are ready to greet fellow members in the guildhall foyer. Young farmers from Axminster and the surrounding area descended on the guildhall for the annual ball. Axminster Young Farmers' Club was one of many organisations affected by the recent bad weather as the plan was to stage the ball in a marquee on the showground

A silver lining for group

A GROUP of nine 'twinners' from Douvres-la-Delivrande, Normandy, visited Axminster for the weekend.

The main purpose of their visit was to sell Normandy produce at the Axe Vale Festival.

However, the festival was cancelled due to the weather conditions so alternative plans had to be hastily arranged.

The weekend began on Saturday morning, with a visit to Pilsdon Pen, a very high point in Dorset, with spectacular views.

This was followed by an interesting local walk and lunch at The Shave Cross Inn.

The vintage motorcycle rally was

an attraction for some on Sunday morning and an opportunity for the visitors to explore Lyme Regis.

The day culminated in Lyme with a skittles match and fish and chips supper at The Pilot Boat Inn.

The visitors were quick to learn the skill of the game and beat their hosts.

An enjoyable time was had but all and we look forward to sharing more events in the near future.

Further details of the Twinning Association can be obtained from Caroline Hilyard on 01297 34497 or Jasmine Littlewood on 01297 32755.

Sunny sports day

By Anders Larsson

AXMINSTER Primary School's re-arranged sports day was graced with sunshine and dry conditions.

The first attempt to stage the event was abandoned shortly after the start on Tuesday, June 26th.

The school's new all-weather running track was officially opened before the sports day commenced, but it didn't take long before rain arrived and forced organisers to abandon activities.

But the rescheduled event two days later lasted the distance and was watched by a big crowd.

The list of disciplines included flat races, obstacle races, sack races various relays and much more.

AN Axminster man has admitted three offences of statutory rape of a girl under 13, one of possessing an indecent photograph of her and three of taking indecent images of her.

Tomas Speed of Kirby Close, Axminster, aged 19, appeared at Exeter Crown Court and was released on conditional bail pending pre-sentence reports.

The judge also ordered him to sign the sex offenders' register.

The court heard he had been in a relationship with the 12-year-old girl. Sexual intercourse with a child under 13 is charged as rape because children that young are considered to be incapable of giving consent.

BRITAIN'S largest inshore marine protected area, Lyme Bay, has been selected for a pioneering new collaborative partnership that aims to balance conservation with the economic needs of local fishermen.

With the Government currently debating the designation of up to 127 similar zones, this project could represent a new milestone in efforts to manage the UK's inshore waters, representing the first example of self-regulation by local fishermen and promising to create a model with potential to be applied across other threatened coastal areas.

This partnership plans to fund a major scientific study by the University of Plymouth, which will seek to quantify the amount of fishing that Lyme Bay's reefs can sustainably withstand, whilst also validating low-impact methods.

SWIMMERS can support the Flamingo Pool's Line Appeal by paying £5 to swim an Olympic event.

The swim will be timed by pool staff and compared to the Olympic record for that event. Axminster siblings Lucy (6) and James (4) Coddington accepted the challenge and chose 50 metres front crawl.

Lucy went first and recorded a time of 1:39:38. She was quicker than her brother but has a bit of work to do to get close to the Olympic women's record of 24:06.

James was up against the Olympic men's record of 21.30 and came in at 2:27:50. Both youngsters were full of smiles and their mother, Emma Coddington, said they had also raised £15 each sponsorship money.

She added: "My family have been using Flamingo Pool since moving to Axminster five years ago."

"It is an excellent facility and Lucy and James have benefited from having lessons from an early age."

"They both really enjoy swimming and as a parent I feel it is a crucial life skill to have."

The liner appeal has a target of about £55,000 and was officially launched by MP Neil Parish on Friday, June 22nd.

More information about the appeal and associated fundraising events is available from Flamingo Pool.

Council meets with developers

TOWN council representatives have met with developers to discuss how to take the St Mary's Jubilee Field project in Axminster forward.

The field, formerly known as St Mary's Playing Field, is in the process of being transferred from Betterment Homes Ltd to Axminster Town Council via East Devon District Council.

The field will be turned into a general amenity area, featuring a play area.

Axminster town clerk Hilary Kirkcaldie said broad agreements have been reached on a number of issues.

Broad agreements include that there is no need to level the site,

and that it will be a dog-free area.

The town council will look into the possibility of planting 60 trees at the site, one to mark each year of her Majesty's reign.

Town clerk Kirkcaldie said: "Betterment will put the work out to tender and once the designs are in we hope that they will be put on display at the field at an event that the (junior) public can attend and vote for the preferred option."

"This is likely to be in August. There will need to be consideration of the features that are desirable in other parts of the site, such as benches and/or picnic tables."

"Again we would need to check that the funding is in place to achieve what is wanted and it may

Acoustic clouds

GREY clouds have gathered inside one of Axminster's landmark buildings.

A total of 22 acoustic clouds are spread across the guildhall ceiling, accompanied by 14 acoustic wall panels.

The acoustics in the main hall have been a problem for a long time. Only a few weeks ago, *Pulman's View* reported that town councillors complained that they struggled to hear what was being said during a meeting.

Members of the public have also complained about difficulty in following debates when attending meetings in the main hall.

Guildhall bosses have been aware of the problem and taken a two-fold approach: finding a solution and raising money to pay for it.

Axminster Town Council recently decided to OK a package consisting of wall panels and ceiling clouds,

aka ceiling pads, at a cost of about £3,900.

The idea is that the features will reduce the echo and thereby improve the sound quality.

The ceiling pads look like soft clouds and were fitted on Friday, June 22nd along with the wall panels.

Inspecting the installation a few days later, town councillor and guildhall management committee member Brian Watson said: "From an acoustics point of view, they seem to have made a difference."

He reserved final judgement until he had attended a meeting in the venue, though. Guildhall manager Sarah Farrant was very upbeat and said: "It's fantastic, they have made a huge difference to acoustics."

She also said it would be nice to show audiences what the money raised through various shows have been used for.

Transatlantic touch for tools

By Anders Larsson

anders@tindlenews.co.uk

THERE was a transatlantic touch to an exhibition organised by one of Axminster's largest employers.

Axminster Tool Centre had to think on its feet when Axe Vale Festival was cancelled.

The company had started to kit out a big marquee at the show-ground when the decision was taken to cancel.

Fortunately, the company had a Plan B to activate, so relocated the tool exhibition to its Axminster shop in Trafalgar Way.

The shop was packed by tool enthusiasts and some had travelled really far. Steven Jones and Wally Wilson of Veritas Tools Inc had travelled from Canadian capital Ottawa to show off their range of woodworking wares.

Axminster was the last stop of a tour that had also included places like High Wycombe, Sheffield and Derby.

Church and school mass celebrations

THE 150th anniversary celebrations for St Mary's Church and primary school took place on June 17th and 18th.

Bishop Christopher Budd was principal celebrant at mass on both occasions. The Mayor of Axminster, Councillor Andrew Moulding, was also in attendance at the mass on the school field on Monday morning, along with many other guests.

After, the congregation made its way to the school hall to see the exhibition illustrating the history of the church and school over 150 years.

For many people, this was clearly a trip down memory lane, bringing together former classmates who hadn't seen each other for years.

At the school mass, Bishop Christopher was carrying an impressive Pyrenean shepherd's crook which he uses as a pastoral staff.

The children were fascinated to get a closer look at this when he visited the classrooms later in the morning.

Primary pupils' transition day into college

■ **BAKE OFF:** Teacher Rachel Chainey (left) was in charge of savoury pastry making on transition day

THE numbers at Axe Valley Community College in Axminster swelled dramatically when 130 Year 6 pupils descended on campus for one day.

The pupils came from the college's feeder schools and visited on Wednesday, June 28th for Transition Day.

A varied programme of events had been prepared for them and included anything from meetings with their new tutors to pasty baking.

College spokesperson Bridget Bennett said: "It is a chance for them to get to know staff, students and the campus before they start here in September."

Tram relaunched at Gala

rama in Beer.

After its launch at Seaton Tramway's depot, the tram then took special guests on a ride to Colyford along the Axe Estuary.

The tram, originally built in the

late 1960s in Eastbourne, was the first to run in Seaton and has changed over time, first being a green double decker car before being converted in 1992 to an open sided tram in yellow.

■ The number eight tram in the depot

In 2007, number 8 became the 'pink tram' and its popularity soared. The decision was made in 2010 to make a larger more user-friendly tram pink to accommodate for the high demand and so tram eight was withdrawn pending a re-paint.

The decision was made to return the tram to a more heritage-style

livery, with Bristol being a fairly local tram system.

With a large percentage of the tramway's annual visitors coming from in and around the Bristol area, a traditional Bristol blue and cream livery was chosen with SS Great Britain advertised on the sides to keep in line with the Bristol theme.

Christian Aid fundraisers host Jubilee cream tea

Held at Seaton Methodist Church last Saturday, the event attracted many through the doors to join in an afternoon of scones, cream, jam and strawberries and jubilee celebrations. Many came along dressed in red white and blue and, adding to the event, was an especially made cake by two of the Methodist Church ladies in celebration of the jubilee. Upper school children also ran a number of fun homemade games from penalty shoot outs to water games and sifting for prizes in mucky bowls of gunge.

Hall funds boosted at jazz evening

■ **BRING AND SHARE:** Guests brought along picnics and enjoyed a light hearted and entertaining summertime jazz evening

By Laura Goldsbury Noy
laura@pemedial.co.uk

COLYFORD residents enjoyed a summertime jazz evening to raise funds for the Colyford Memorial Hall.

The event, which was originally planned to be held at Marshall's Paddock, was moved into Colyford Memorial Hall due to bad weather but still gained a great amount of support from the public.

Guests embraced the "bring and share" themed evening, enjoying picnics with their families and friends whilst enjoying entertainment from the Coly River Jazz Band.

Proceeds from the evening will contribute towards funds for a new roof for the Memorial Hall, which is estimated to come in at a cost of £50,000.

The organising group are already well under way with raising the much-needed funds, having raised about £32,000 at their ongoing fundraising events.

Members of Colyford Memorial Hall Committee would like to thank all those who supported the evening and are grateful for the ongoing support from the local community.

An Olympic kiss in the rain

THE rain may have been pouring but Colyton Grammar School students still took to their sports field to continue their Olympic celebrations last week.

Hundreds gathered on the school's field for a

special "Olympic Torch Kiss" event when Year 13 student and official torchbearer, Emma McLean, visited the school with her torch and ran alongside Colyton Grammar's own version of the torch created by Year 11 design and technology students.

Emma, 18, ran in the Exeter leg of the official Olympic Torch Relay recently, having been nominated for her local voluntary work.

The event began with a relay involving all four of the school houses, with a staff representative for

each and a small group running around each part of the field, joining torches as they went.

Despite the hammering rain, the students embraced the weather and came out in full force to complete the ceremony with the two torches cross-

ing over at the end of the race.

Unfortunately, what was meant to be a full day of Olympic themed sports day events was postponed due to the bad weather and will be rearranged for a later date.

Film season continues

SARAH'S Key is the second film in the new 2012/13 season of the Beer Film Society and will be shown next Monday (July 9th).

A challenging and thought-provoking film, Sarah's Key tells the story of Julia (Kristin Scott Thomas), an American expat journalist in Paris who discovers that the apartment she's about to move into has a deeply unsettling connection to the past.

As always the film will be staged at Steamer's restaurant in Beer, with doors open at 7pm for a 7:30pm start.

Members and non-members are welcome with tickets on sale on the door. The bar will be open and coffee and popcorn are also be available.

While the full list for the season has yet to be completed film fans should note the following dates have all been reserved: August 6th, September 10th, October 8th, November 12th and December 10th.

Open garden in Membury

A MEMBURY garden will celebrate its fifth consecutive year of opening under the National Garden Scheme next month.

The garden at Cleave Hill is a cottage-style garden planted to provide all season structure, texture and colour.

Cleave Hill is open under the NGS on Saturday, July 14th and Sunday, July 15th July from 11am-5pm.

Trio of road signs stolen from Shute

THREE road signs have been stolen from the Shute area.

As previously reported, a chevron warning drivers of the sharp bend at Shute Pillars, just off the A35, was stolen at some point between Friday, June 15th and Sunday, June 17th.

Local people had campaigned hard for the chevron to be put in place and Shute parish councillor Peter Rugg praised Devon County Council (DCC) when the installation was made last autumn.

It has now emerged that the chevron was not the only road sign to be taken.

A DCC spokesman said: "Three traffic signs have been stolen from this area.

"We are currently in the process of ordering replacements and we are also investigating what anti-theft measures may be taken to prevent future occurrences."

St Michael's Church in bloom for flower festival

'WALKS of Life' was the theme Musbury flower arrangers chose for St Michael's Church flower festival.

Held across the weekend, the church was filled with bright floral displays and perfume and was the first to be held for six years.

Arrangements featured boots, shoes, hats and even dresses depicting all walks of life from weddings to dancing and the Jubilee, to celebrations of local themed ideas such as 'Musbury Castle' and 'On the Beach at Seaton.'

As well as a number of local arrangers contributing toward the festival, local groups such as Seaton Over 50s Sport Club, Musbury Moles Pre School, Musbury Primary School and the local Women's Institute also joined in and created arrangements for the display.

Cream teas were served throughout the weekend, as well as a cake stall and raffle to help boost funds during the festival.

The weekend ended with a special Songs of Praise service in the church on Sunday evening.

Organisers of the festival would like to thank all those who contributed to the festival as well as the many who came along and supported it, to help raise funds for the general upkeep of St Michael's Church.

Trip to Cadhay Manor

AXMOUTH WI

AXMOUTH WI members enjoyed a coach trip to Cadhay Manor. Members and friends enjoyed a fascinating tour of Cadhay House with an excellent commentary about the history of the house and various owners.

Cadhay dates back to the reign of Edward I with further additions in 1550. The tour took members to the Great Hall, the roof chamber and the wonderful Elizabethan long gallery that was added in the 17th century.

Magnificent gardens surround the

house with herbaceous borders and yew hedges overlooking the original medieval fishponds. An excellent tea was served in the barn.

The June meeting was held at The Forge with members and three visitors enjoying a garden party with a variety of salmon and egg sandwiches, a variety of cakes and strawberry and meringue gateaux.

Members were all very sad to hear of the death of Pat Squires, who passed away recently, and a minute's silence was held.

Beryl Elston won the top score for the Skittles Cup, again.

The competition winner of the Best Tiara was Irene Harrison, who managed to incorporate the letters WI into her tiara. All the tiaras were excellent so it was a hard job to choose the winner.

A trip to Bath at Christmas was discussed and a trip on a canal barge. The sun shone and everyone had a wonderful time, chatting and relaxing in beautiful surroundings.

The next meeting is July 17th with a talk on Gypsy Caravans. The group meets at 2:30pm in Axmouth Village Hall. New members are welcome.

Great fun had at the Albert Hall

SEATON WI

THE June meeting of the Seaton WI opened with the usual business matters and followed by a report from Aimee Guard detailing her visit to the National Federation of Women's Institutes AGM held in London at the Albert Hall.

It was attended by over 5,000 women from WIs nationwide. There were two great speakers, Mr Julien Fellowes and Dame Magee Aderin Pocock. The Resolution for More Midwives was voted in favour by 96 per cent.

There was also great excitement when four members of the Strictly Come Dancing team arrived to give a surprise

performance. The whole event was greatly enjoyed.

We were very happy to welcome two new members to our meeting this month and the return of a past member. Our speaker was Mr White a retired airline pilot, who gave a very amusing and illuminating talk beginning with how he achieved his pilot's licence to becoming a Captain and his years working for different airlines. It was a great incite into his very interesting career.

Our speaker next month is a gentleman from the RSPB. So please come and join us, we would love to see you on Tuesday, July 17th at Seaton Methodist church hall from 2:15pm.

Lions come together to help Freewheelers

LIONS clubs from around Devon have joined forces to raise more than £3,800 for their chosen charity - The Devon Freewheelers, writes **LAURA GOLDSBURY NOY**.

Each year, members of the Lions Clubs of Sidmouth, Axminster, Budleigh Salterton, Exmouth, Honiton and Seaton, agree upon a 'Zone Project', which they undertake to jointly support.

For 2011-12 the choice was Devon Freewheelers, the charity whose volunteer motorcyclists deliver urgently needed blood, breast milk, organs and other medical supplies to hospitals, outside normal working hours.

There are currently 35 Freewheelers in Devon and the charity has just three of the customised emergency motorbikes with eye-catching insignia, flashing blue lights and special climate controlled facilities for carrying the urgently needed organs and material.

Typically Devon Freewheelers are called upon to undertake five or six emergency deliveries in a single night and, when the special bikes aren't available, these dedicated volunteer motorcyclists may have to use their own bikes.

Founder of the Devon Freewheelers charity, Dan Lavery, and two fellow Freewheelers - emergency biker Barry Kerr-Wilson and Freewheelers Fundraising Officer, Kevin Lee - were invited to attend the final Zone

Meeting of the six local Lions Clubs at Budleigh Salterton Football Club.

At the start of the meeting, Lions Zone Chairperson, Carol Wells, said that on behalf of the Zone's Lions Clubs she was delighted to present Devon Freewheelers with a cheque for £3,815.

Upon receiving the cheque, Dan Lavery said: "Devon Freewheelers are extremely grateful to the Zone's Lions Clubs for their donation and it

should help towards the purchase cost of an additional emergency motorbike."

Sidmouth Lions next charity fundraising event will be their Great Duck Derby on the River Sid in The Byes on Sunday, July 15th and 'duck tickets' are on sale at weekends at various local pubs and outside The Anchor Inn, or from Co-op and Lidl from 10am to 5pm on weekdays from July 3rd to July 14th.

MEMBERS of the Devon Freewheelers were pleased to accept £3,815 from local Lions Clubs in Sidmouth, Axminster, Budleigh Salterton, Exmouth, Honiton and Seaton

The ultimate deterrent?

JENNY Smedley from Bishopswood has written to tell me about her bird-feeder squirrel deterrent. As we all know grey squirrels are athletic, crafty and determined once they spot a bird feeding station.

They'll climb up poles, leap onto tables and swing from seemingly inaccessible feed containers. The answer, say Jenny, who prefers not to kill grey squirrels, is a small aviary.

She cuts holes in the wire to fit garden birds and wires smooth metal rings round the holes to make them tidy. This, she writes, is the only squirrel-proof feeder she has come across.

The squirrels give up, while vulnerable birds are largely protected from sparrowhawks which can no longer pluck victims from feeders as the potential prey have learned to remain inside the aviary until danger has passed. In addition, she has slotted bamboo poles across the aviary for perches.

What size is the aviary, I wonder, is it suspended or set on a pole and how long does it take garden birds to overcome any natural fear of entering such an enclosure?

Perhaps Jenny will let readers know and if she has invented a genuine squirrel-proof feeder maybe she ought to consider its commercial applications!

Meanwhile, Sarah Chapman from Axminster, a regular correspondent, tells me that she has four swallow nests, all in use, in her garage, with one containing five chicks.

Young starlings are also coming to her feeders, together with great, blue and coal tits, nuthatches and greater spotted woodpeckers.

I can only envy her, for we are bereft of swallows this year, though there do seem to be more house martins in the air than usual while at ground level rabbits are thriving once again, having been severely affected by myxomatosis last year. As I write half-a-dozen are scuttling around newly cut hay in front of my office window.

When did you last see the twinkling light of a glow-worm? Researchers fear that the glow-worm's light is fading and that the creature is, like so many others, in sharp decline.

The glow-worm is, of course, not a worm but a beetle. Insignificant, small and pale brown, it is the female of the species which employs a pale yellow-green light to attract males and is, as far as I know, the only beetle to use such a signal in this country.

The actual light is created by a chemical called luciferin which oxidises in the presence of water and oxygen to create the glow on the tip of the beetle's body.

Once a common sight in meadows, along hedgerows and verges, the spectrum of twinkling lights is becoming increasingly rare due to a combination of increased use of herbicides and pesticides and over-zealous grass-cutting.

Now the Devon Wildlife Trust is asking the public to be on the look-out for glow-worms and report any sightings. The female glow-worms climb to the tip of tall grass stems from which they can send out their signal to attract a mate and while active from May to September, peak glowing takes place in July.

The DWT has set up a special glow-worm survey form on line which takes only a few moments to complete and can be found at www.devonwildlifetrust.org You can also call DWT with details of any glow-worm sighting on 01392 279244.

I would also be very interested to hear from any readers in the Pulman's area of West Dorset and South Somerset who encounter any glow-worm sightings this summer. I must confess that it is some years since I last saw these strange creatures and I must make the effort to discover whether there are any in my area.

Bus Pass Productions celebrate premiere of their first movie

■ Enjoying the Hollywood atmosphere at Beer Social Club

■ Anna Ed announces the evening's award winners

■ Abby the greyhound (one of the stars of the film) enjoys a break with stills photographer Helene Buse

THE world premiere of Beer's first 'BusPass Productions' movie took place last week. Beer Social Club hosted the event, with big celebrate the making of the film

'The Mystery of Aunt Franny's Lodge' was written and directed by Chrissy Evans from Beer and filmed and edited by Ollie Muncaster from Seaton. The entire cast and crew was drawn from friends and neighbours.

A dark tale of skulduggery and murder as the (In)famous Five – now in their 60s – come together one more time, for the reading of Aunt F(r)anny's will.

Those of a certain age will remember the original five, but this film will also appeal across the generations.

BusPass Productions is made up of a group of young at heart older people from Beer, Colyton and Seaton.

The aim of the company is to learn new skills and have fun. Operating without a budget, the company relies on the good will of all those involved. That said, it's a very professional film and a credit to all involved.

It's important to note that none of the cast or crew has ever been professionally involved in drama or film and at least 80 percent of the cast have never performed on any kind of stage, amateur or otherwise.

The film is available to view Youtube at www.youtube.com/watch?v=nFptOIRT8vo

It's just the thing to cheer you up during this dismal summer of weather.

BusPass Productions is now looking to the future and the film is being promoted to festivals and film clubs nationwide.

Pulman's View from the churches

With NIGEL SPELLER

THE General Synod of the Church of England meets in York from July 6th to 10th and will include the final vote on women bishops.

It will be the first time for 20 years when the Church has so significant a two-thirds vote to face. There will also be reports for 2011, from the Church Commissioners and the Archbishop's Council, and an address by the Archbishop of Turku and Finland, as well as a host of topics of interest at home and overseas, all in five days.

The Synod is the last for Archbishop Rowan Williams, who writes that the attempts to ban or discourage Nativity plays or public carol singing out of supposed tender feeling for other religions fail to notice that people of all religions and cultures love the story and respect the message!

Critics who believe religion is a problem in public life often show a lack of understanding of history. The Archbishop, speaking in the House of Lords recently, also added that public officials are often ignorant of the way the Christian and Jewish faiths have influenced the UK's laws. He regretted that there was a reluctance to develop relationships between Church and State bodies, to our detriment.

Financial advice for Church Treasurers comes from a new HMRC paper - What's New for Charities (June 1st).

Music events this week include the Woodbury Wind Quintet which will play at St Michael's, Colyford on Friday, July 6th at noon, followed by lunches.

Coming shortly are two varied events – on Tuesday, July 10th members of the Colyton Mission Community are invited to Kilminster Hall for the licensing of their new Children's and Families' worker followed by refreshments and a discussion on the Mission Action Plan for the Colyton Mission Community. All are welcome.

Then Exeter Cathedral is holding a Flower Festival from July 11th to 15th celebrating the Diamond Jubilee in flowers – three Musbury arrangers have contributed.

There is regret amongst local radio listeners that the BBC Radio Devon radio programmes have been moved and the Sunday Worship is now only transmitted at 6:30am, and Good Morning Devon's Pause for Thought is only on air an hour earlier at 6:30am each day.

Views about these changes can be sent to The Manager, BBC Radio Devon, PO Box 1034, PLYMOUTH, or emailed to gmd@bbc.co.uk or michael.chequer@bbc.co.uk

Twinning: important to town

I AM writing in response to Mrs J A Warren's negative comments about the use of council funds, in as far as they refer to twinning – *Pulman's View* edition June 26th.

To dispel any confusion, it is important to point out that there are no 'freebies' for councillors associated with the twinning.

Funding is raised, like that of most local organisations, by the members of the association.

If councillors come with us on twinning visits, they pay their own passage as do all members.

They are not paid for from council funds.

When the French visit Seaton they are entertained at the expense of their hosts and of the association itself.

This year the town council has, exceptionally, made a small grant to the association, along with grants to other local organisations.

It is the 30th anniversary of the Twinning Charter signed by the two towns.

About twinning itself, I quote "Who needs twin-

ning?"

I would like to say this; whatever our politics, whatever our opinions about Europe as a political project, and you will find every persuasion in a twinning organisation, these do not come into it.

Twinning is about building friendship and trust between people from different lands and cul-

tures.

In these difficult times this is as important as it has ever been.

Far from impoverishing the town, the twinning with Thury-Harcourt enriches it, and raises its profile.

It costs neither Seaton, East Devon nor Devon County Council anything to run and is in no way to

blame for any perceived shortcoming in public services.

Mrs Warren would be most welcome to join us and to come with us on our next visit, or to join in when our French friends come next year.

The only way truly to understand what twinning is about is to become involved.

Seaton and District

Thanks for volunteer job offer

HAVING been turned down for the job of Deputy Chief Executive of Seaton Council I was left feeling that such as I would not be welcome on the town council.

I therefore thank Ann Morgan for her kind invitation to become a volunteer councillor at the next opportunity, *Pulman's View* edition June 12th, please

contact me through the editor.

I am concerned, however, that as the councillors are not paid, they do not make more noise in making things happen for Seaton, after all it appears they have nothing to lose.

The issues raised by the Seaton Cartoons are clearly issues of great concern and frustration to the artist and

many other people in the town.

Graffiti is the voice of the street; the voice of the people.

It is a voice that should be ignored at one's peril if the council are truly a representative body.

A Valley View reply

WITH reference to the letter, last week, commenting on Axminster Football Club's 'Farewell to Sector Lane' parties.

Firstly the club was courteous enough to write to the residents explaining what would be happening, much appreciated, and secondly, not all of us ran screaming to the hills with earplugs.

I have spoken to a number of the residents all of whom said they went to bed as per usual, as did my wife and myself.

Yes the music was loud, but that is the

music taste of today.

Heaven forefend that I should begrudge any neighbour the enjoyment of a party or two.

I, for one, will very much regret the club leaving Sector Lane.

They have been amongst some of the best neighbours I have had, and I wish them well when they reach their new home.

As for noise wait until the developers move in.

Gulls: sensible cull is needed

AM I the only one in the town centre of Axminster who finds the constant increase each year of these noisy, messy, and aggressive gulls that are nesting more and more on private rooftops.

I still think the decline in our small garden birds over the years is because these bigger raucous birds are taking over.

How often do we enjoy the sound of our songbirds these days over the noise of the gulls, which starts as early as 3.30am.

I still think we are overdue for a sensible cull but no doubt the RSPB will wait until they are inundated with complaints.

Search for long-lost Johnny Kidd film

LOST Johnny Kidd Footage. I wonder if you may be able to help.

I am doing some research to hopefully find some footage of Johnny Kidd and the Pirates from the early to mid 60s.

Since his death, nothing has been found of him singing at all. I, and many others, have been looking for years for something from any of the many pop shows that he was on.

Upon reading the biography of

Johnny Kidd there is a part that states "We played a town called Seaton and Beer", obviously two separate places. It also says the performance was filmed from the balcony of the dance hall. I wondered if anyone may come forward with this elusive film.

NOSTALGIA THROUGH THE EYES OF PULMAN'S FOUNDER

Fair days when no one was arrested

ALTHOUGH there is no fair week in Axminster any more, it is good to see that the annual ceremony of raising the glove is still being observed.

The familiar cry down the years of "The Glove Is Up" was heard once again outside the Minster Church where "Lord of The Manor" Jim Rowe (pictured right) recited, as he has on many occasions, and his father Frank before him, the following:

**"The Glove Is Up
The Fair has begun
Let No Man be
Arrested
Until the Fair is
Done"**

Axminster was founded around 660 with a Sunday market having been built up in the 12th century.

The town was made a free borough by charter around 1210, with a second charter in 1215 granting the burgesses

an eight-day fair beginning on the feast of St John the Baptist.

The eight-day fair was held for 600 years and then became two separate one-day events in April and October.

In recent times a fair week has been held around June time but these days its nearest celebration is the annual two-day Axe Vale Festival which this year, unfortunately, had to be cancelled because of the weather.

But the Glove ceremony lives on and long may that be the case.

■ IN the recently published "Seaton and Axmouth In Living Memory" by Ted Golding and Mike Clements, a section is devoted to Seatonians who have received honours down the years. Included is this photograph of Desmond Garratt, a town councillor for more than 30 years and one of Seaton's most popular characters, with his wife Daphne, receiving a citation and gold medal for his services to the town from Mayor David Jackson in May 2000.

Help and Care when you need it

Doveridge & Dove Court Care Homes

DOVE Court is a beautiful care home set high up on the hillside with stunning views looking over the Axe valley towards Axmouth and out over Lyme Bay. Inside, the home is warm and welcoming with a friendly and caring atmosphere.

The staff at Dove Court are caring and compassionate and prepared to go that little bit further when required. The aim of the staff is not just to support the residents with their basic physical needs but to also provide fun and friendship with the social calendar becoming more important and varied as time goes by.

Moving into a care home can often be seen as the beginning of the end, whereas at Dove Court we like to see it as a new beginning. Gone for our residents are the mundane daily chores of cooking and cleaning. Gone are the lonely days where you are isolated and alone. At Dove Court our residents can use their energy enjoying the freshly prepared meals with no need to do the washing up at the end! Our residents can enjoy going out and about in our very own 'Dove Bus' with no need to worry about driving or parking. Recent trips in the Dove Bus have included a 'Strictly Come Dancing' evening at Otter Garden Centre, the Southleigh Fete, Connaught Gardens in Sidmouth, Pecorama and the Memory Café amongst others. Our resi-

dents can enjoy entertaining their own guests with refreshments being provided by staff so all the resident has to do is sit back and enjoy their visitors' company.

There is a varied social calendar of activities that happen within the home including visiting retailers, musicians and of course the well loved donkeys from the Donkey Sanctuary. Dove Court has

its own activities organiser who is always open to further suggestions. Activities can be for individuals or for groups and involvement in activities is the choice of the resident. Our residents' individual wishes and desires are always of the utmost importance.

The home itself is presently being expanded. The new extension will provide 15 new en-suite

rooms, eight of which will be larger 'Garden Rooms' with a door leading on to their very own patio. The extension will also provide a new fully fitted kitchen, assisted bathrooms, a large conservatory and extended terrace that will provide the perfect spot to sit and enjoy those beautiful views over Lyme Bay.

The Manor House

THE Manor House, a grade II listed building, is a residential home for 15 elderly in Seaton, East Devon. The home is a short walk from the town centre and seafront.

The proprietors live on the premises which they feel helps to ensure that high standards are maintained. In our most recent unannounced inspection by our regulators, the Care Quality Commission (CQC) we were awarded a 3 star rating demonstrating excellent standards of care.

The Manor House has a cheerful homely atmosphere. Visitors often remark on how they are made to feel welcome at all times. There are well-trained staff on duty day and night.

The Manor House has a small garden at the front and a courtyard garden at the back with a fish pond, bird feeders and often the resident dog and cat.

Our aims are to provide high standards of care, promote independence and to enable residents to live life as they choose. Residents are encouraged to follow their chosen pursuits and we provide a variety of entertainment such as quizzes & games. There are trips out around town and to the seafront and trips out in the charabanc. An activities/exercise organiser visits once a week. We have frequent visits from musical entertainers. Residents are encouraged to follow their chosen religious beliefs and a clergyman gives a communion service once a month.

We always encourage residents to become involved in local events such as exhibitions at the town hall, sea front fetes and the carnival. We have a visiting library service. It is our policy to provide fresh high quality food from local providers. We cater for special diets such as vegetarian or diabetic etc.

We have fifteen single rooms, all fitted with a wash basin. Nine of the rooms also have an en-suite toilet. Residents are encouraged to personalise their rooms with their own belongings including small items of furniture if they wish. Each room is fitted with a Nurse Call system. In order to ensure that the placement is suitable, prospective clients are encouraged to visit the home with their relatives prior to admission. The proprietors will also visit the prospective resident at their present accommodation. The first month after a resident is admitted to the home is a trial period to see if the resident is happy and to ensure we can provide the level of care required.

On admission a care plan will be made with the involvement of the resident and their relatives this emphasizes the resident's potential to manage their own lives as independently as possible and to exercise their freedom of choice. Care plans are reviewed monthly or whenever there is a change in resident's care needs.

Fees vary depending upon the level of care required and whether the room has ensuite facilities. Fees include all care and accommodation costs, food, drink, heating, lighting and laundry. They do not cover the costs of newspapers, magazines, hair-dressing and dry cleaning.

Glory Days Au Pairs

■ Lisa Antal and partner, Jeffrey

THREE years ago Lisa Antal came to Devon as an Au-pair from Hungary, she lived with an elderly gentleman who was delighted to still be able to live his normal independent life in his own home with help around the house and knowing there was someone around if needed. Lisa realised there was a need to help others and with her Devonian partner she has launched Glory Days Au-pair agency for the elderly. Lisa believes that Au pairs become part of the family but will never replace a family member. They can become a good friend and helping hand and give family members a rest.

Perhaps you thought Au pairs are exclusively for children, Au Pairs are also suitable for helping elderly couples or singles. Hundreds of active pensioners are in need of companionship, carers, live happily with Au pairs. Au pairs help in everyday life so you can continue in your usual life. At night you are not alone, you live in your own home and during the daytime an Au pair can provide company. An Au pair can also help with light housework, washing, ironing, cooking, tidying, shopping, car driving and pet care.

Our live in helpers are on the whole not medically qualified so Glory Das Au-pairs are best suited for people who have less acute needs and do not require specialist care and would rather remain in their own home than taking up permanent residence in a residential or nursing home.

The Au-pair movement exists to arrange accommodation for young people from abroad. Salary is paid weekly as 'pocket money' Au pairs will be provided with their own room, lighting, heating, food and friendship, in return for brightening the daily lives of people who need reliable help and companionship. Our objective is to provide an affordable alternative to the expensive care system. Please call 01404 861276 for further details.

TOWN BAND'S SUMMER CONCERT SEASON BEGINS

LYME Regis Town Band's summer season of 'Music by the Sea' concerts on Marine Parade recently got off to a rousing start, despite the rival attraction of England's football team. The concerts continue throughout July and August each Tuesday at 8pm, with additional performances on several Sunday afternoons, starting at 2.30pm.

During the season, thousands of holidaymakers will again be enjoying the band's music and sponsorship is available for local firms to increase their business through advertising at these concerts. Full details of events and sponsorship can be found on the band's website.

A grand raffle, which proved so successful last year, is again being run at each concert, with cash prizes totalling over £300. The band is very grateful to two of its strongest supporters, Ken and Ann Courtney, who regularly travel from Chard to sell tickets.

Councillor Sally Holman, President of the band and Mayor of Lyme Regis, chaired the Annual General Meeting last week, at the Woodmead Halls. Retiring Chairman Paul Snowball reported on a very successful year, his first in this role. His remarks were echoed by Musical Director John Powell, who expressed thanks to all who had supported the band throughout the year. He made special mention of the excellent work of retiring Secretary Gilly Warr, commenting that two people were needed to replace her!

Paul Snowball was re-elected Chairman with Matt Luckhurst continuing as Deputy Chairman and Heather Marraner as Treasurer. Adrian Pearson and Val Mahoney were re-elected Secretary and Bookings Secretary respectively. Nikki Herbert, John Hallett, John Warr and Eric Hodder were elected to the Committee. John Powell continues as Musical Director, with Roger Grose as Conductor and John Case the band's Librarian.

Band members then voted for the Gordon Broom Shield, awarded annually to the person contributing most to the band and the winner was Roger Grose. The Bandmaster's Award for the most progress during the year was awarded to young cornet player Rory. Following the successful development of the Training Band, Paul Snowball announced the first 'Chairman's Award' for the young player of the year, which went to another cornet player, Juliette. The awards will be presented at the band's Annual Christmas Concert on December 15th.

DO YOU HAVE FAMILY LINKS WITH POLTIMORE?

POLTIMORE House, near Exeter in Devon, was a finalist in the BBC's Restoration series in 2003. Since then, the Poltimore House Trust and The Friends of Poltimore House have been working to conserve the 16 century Grade II* listed building and its grounds. The Poltimore estate was bequeathed by William Pontyngton, a Canon of Exeter Cathedral, to his pupil, John Bampfylde, in 1298 but little is known about exactly where the Bampfylde family lived for the first few hundred years. Poltimore House was built by Richard Bampfylde; it is thought that the work started between 1550 and 1560 (around the time of Queen Elizabeth I), with each generation of the family since then adding to or altering the original building. In the 20 century, it became a school and later, a hospital.

The house and grounds are open to the public on regular Open Days and there are many other events planned for 2012, such as the Craft and Food Fair, concerts, plays, the Fungi Foray – and many more! The Friends of Poltimore House have been able to make contact with many people who have connections with Poltimore House – the babies born there when it was a maternity hospital, nurses and others who worked there when it was a hospital (at one time, a private hospital, later an NHS hospital), descendants of the Bampfylde family, students of Dover College who were evacuated to Poltimore in the

Second World War, and many others.

The Friends hope to make contact with yet more people who have connections with Poltimore and as part of an Open Day on July 15th (12pm to 4pm), Mary Hyland, a local genealogist who has worked on the Bampfylde family tree (back to the 1200s), will be at Poltimore House to talk to visitors. So if you have a Bampfylde (Bamfylde/Bamfield/Bampfield and variants) connection, do come and visit the house and gardens.

The Friends would also like to make contact with people whose family members worked at Poltimore House or on the Poltimore estate. Although we have the names of those who were at Poltimore on census years, unfortunately little archive material has survived, so if your relatives worked there and you have photographs, or other material or information, we would love to hear from you. One aim for 2012 is to start to build up our archives – a resource which then will be available for those who are researching their family trees.

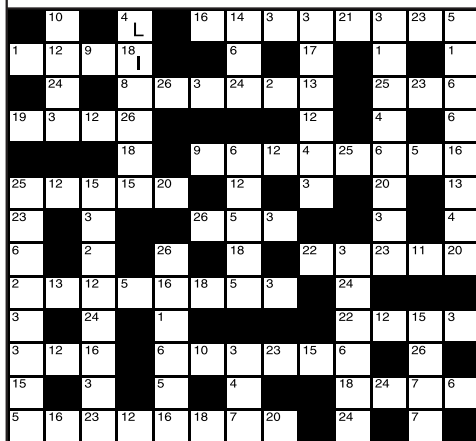

To find out more, visit www.poltimore.org or contact the Friends by email at events@poltimore.org. If you would like to become a Friend of Poltimore House, please email membership@poltimore.org.

London, Frankfurt, Paris and Honiton For Acclaimed Musicians

'BOSTON Tea Party' in Honiton will play host to a concert from East Devon's very own rising and acclaimed acoustic stars Cole Stacey and Joseph O'Keefe on Wednesday, July 4th before they head off to play a series of international appearances in the coming year. After a hugely successful UK Tour, Cole and Joseph have just been asked to perform at the pres-

tigious 'London Acoustic Guitar Show' alongside names such as Newton Faulkner, Sandi Thom and Andy McKee as well as being asked by 'LogaRhythm' to perform at 'Musikmesse' in Frankfurt, Germany next year.

With the release of a full studio album in October following on from gigs supporting the likes of Midge Ure and Cara Dillon, and major shows including 'The Acoustic Festival Of Britain' the acoustic musicians are delighted to be back in their home town for a concert & will be showcasing songs from that forthcoming CD, "We are thrilled to be playing this concert as the support from Honiton and the local area has been wonderful and humbling, and we are even more delighted as we've enjoyed many a great cup of coffee in Boston Tea Party over the last year!" said Cole.

Singer/Songwriter Cole joined forces professionally with multi-instrumentalist and songwriter Joseph last year and they have been getting rave reviews for their

unique shows including praise from 'Acoustic Magazine' describing one of their shows as "Delightfully Strong....showing quality musicianship and passion in equal measure".

The acoustic performance takes place at 7.45pm on Wednesday, July 4th in Boston Tea Party in Honiton and tickets are £5/£4 available from Boston Tea Party.

French Food and Craft Market from Normandy is coming to Sidmouth for the first time

LE MARCHE de France has been invited to come and visit Sidmouth, and brings a great range of high quality and fresh produce from all regions of France for one day for everyone to enjoy.

There will be a magnificent cheese stall with a truly enormous selection of French cheeses. Bread will be baked onsite, in front of visitors, on the new bread and patisserie stall and the smell of bread, croissants and pastries should hopefully spread in the whole town centre. There will also be the Charcuterie with wonderful sausages, olives, Turkish delights, smoked ham and Calvados pate. Pure Butter Homemade biscuits,

cakes and Ginger bread, Mustards, sauces and, of course, garlic will be on offer as well! For those with a sweet tooth, wonderful natural honeys as well the hugely popular crepes stall will be on display. If you still have a small space left after all that, the sweet stall will also be making fresh pralines, almonds and cashews on site.

And for those who like South of France, they will find soaps from Marseille, lavenders, tablecloths from Provence... Oh, La la!

The Market will be staged at The Ham in Sidmouth on Friday, July 13th from 9am - 4pm. See the advert on page 28.

ReView | Gypsy shines at first Stowford concert

IT WASN'T just the lights that were sparkling on Saturday night at Stowford Community Centre, as Gypsy Watkins once again pulled off a storming performance.

The Audience were riveted to their seats as Gypsy rolled out number after number, of both opera and popular music. Gypsy said "Stowford was an amazing place to perform, all the staff were wonderful, it was a fabulous night". Neil Rutter, Past District Governor and now the new President of the Seaton District Lions Club, who attended the concert said "Gypsy gave an excellent performance, we listened to her CD on the way home it was lovely".

Purple, Gypsy's husband and manager, said "It was wonderful to meet Neil and some of the Lions Club. We have been discussing putting something together in the future to support the lions - it is such a wonderful charity".

THIS WAY TO SPACESHIP

PERFORMING his first ever UK tour, comedian Rhys Darby will head to Plymouth Pavilions this Saturday, July 7th, and tickets are still available.

Some say the world could end in 2012. But Rhys Darby has a plan. He's fairly sure the superpowers each have a spaceship ready to launch on the eve of Armageddon. The trick is... to get onboard!

Rhys takes us on an autobiographical journey from meek geek to king of cool. This show is a handy guide to living your life like you're the champion no one's heard of. In the end, you might just find you've been invited to recolonize another planet.

This new standup show accompanies Rhys' first novel, *This Way to Spaceship*, 'a handy autobiographical end of world companion'. The show promises to combine everything Rhys is known for, surreal musings, hilarious stories from his life and a healthy dollop of non-sense and fantasy.

Tickets to the see the *Flight Of The Conchords* star cost £20 (subject to a booking fee), and there is an age limit of 14+. To book tickets contact the Box Office on 0845 146 1460, or visit www.plymouthpavilions.com where it is cheaper to book online rather than over the phone.

Tickets selling fast for Sidmouth Folk Week

THE countdown is on for the start of the Sidmouth FolkWeek (August 3rd - 10th), and there is once again an impressive concert line-up on offer each and every day.

All tickets are now on sale - event, day, weekend, season and all-in-one - and they are selling fast. Book now for your favourite acts or go all week for the ultimate festival experience!

The three times-daily concerts at the picturesquely-placed Ham Marquee - a comfortable seated venue - offer up some of the finest musicians in the land.

Take your pick from a mid-week coup with the diamond-fingered master guitarist Martin Simpson who will be appearing with an array of other folk icon friends including June Tabor, Dick Gaughan, Jon Boden and Fay Hield! Or revel in the songwriting potency of 'renaissance man' Chris Wood, who has been hand-picked to go out on the road with Joan Armatrading later in the year.

The UK's premier singing family are out in force with Norma Waterson making a welcome return to performing, with multi-talented daughter Eliza Carthy & The Gift Band, as well as a winning duo combination of national folk treasure Martin Carthy & Eliza. Martin also features in the rich wall of sound that is Brass Monkey.

International highlights abound with high-stepping dynamos Black Umfolosi from Zimbabwe

bringing a song and dance spectacle to the stage; poignant songwriting from aboriginal singer Frank Yamma; Juno-award winning Nova Scotian banjo songster Old Man Luedecke; and Canadian singing favourites The Finest Kind.

The Celtic world has some fine representation in the form of Ireland's premier traditional band Dervish, fronted by the angel-voiced Cathy Jordan. A mighty trio with the legendary Donal Lunny, who has been at the forefront of the Irish music renaissance, plus current mover and shaker Padraig Rynne & Breton flute master Sylvain Barou promises to electrify. Another powerhouse trio sees flute/whistle/Uilleann piper master Michael McGoldrick coming together with fine Scottish fiddler John McCusker and Irish singer/guitarist John Doyle. Seminal Scottish folk singer and songwriter Dick Gaughan also takes to the stage.

June Tabor & Oysterband, basking in the glory of their multi-award winning *Ragged Kingdom* CD, bring us their uniquely stirring sound - pairing the pure beauty of June's voice with the visceral energy of the Britfolk-rockers. High-energy tunesmithery and song comes from popular duo Spiers & Boden, founding members of Bellowhead. Local living legends Show Of Hands with their show-stopping show

with bassist Miranda Sykes.

A pre-festival special sees a rare performance from children's author Michael Morpurgo, reading from his famous *War Horse* story with music from John Tams and Barry Coope.

Evening roots parties at the Bulverton Marquee see high-energy acts filling the dancefloor for those who like a bit of groove. Local-boy-done-good Seth Lake-man will be on the bill with his passionate foot-stomping sound; the massed ranks of Celtic super-group Treacherous Orchestra; a heady Bhangra fusion from Kissmet; young Italian roots talents from Stygiens and the dynamic reggae roots of festival favourites Edward II; and from Canada's Jason Wilson Band.

Around the rest of the festival, you can expect dances, ceilidhs, international performers, displays, morris dancers, workshops, sessions and the famous torchlight procession... and a diverse and

entertaining programme jam-packed with feel-good atmosphere.

Book online now at www.sidmouthfolkweek.co.uk. Taster Programmes can be downloaded from the web site or obtained by email. abm_sidmouth@btinternet.com with name, address and email address. Or contact Sidmouth Tourist Information Centre: 01395 577952 or visit www.sidmouthfolkweek.co.uk for tickets and full festival details.

Pulman's PropertyView™

Property market overview by Tim Bennett at Lawrence Residential

AS I approach my 25th year in estate agency and get close to celebrating our 4th year as Lawrence Residential we are faced with some of the toughest property market conditions I can remember. However we have had some very good sales through June and I would put this down to how we operate our business. We always work very closely with our clients when marketing their property, continually updating them with progress, viewing feedback and activity levels. Sometimes the most important call is the one we make when nothing seems to be hap-

pening.

It's often at this point that the vendor feels as if there are no buyers at all and it's vital for us to let them know if its specific to their property or a more general 'quiet patch' in the market. Recently we have been able to identify that a reduction in the asking price could be beneficial and this has had some very positive results with increased viewing activity and sales being agreed.

Purchasers are aware that it is a "buyers" market and often won't look at a property unless they feel it's good value for money, however we won't make a recommendation to drop a

price unless we really feel it's the right thing to do to help the sale.

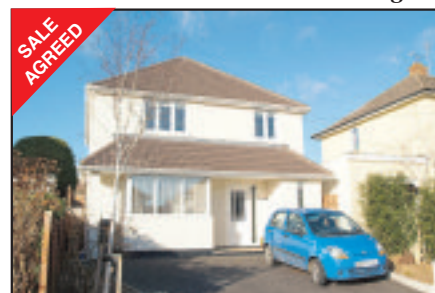

The bottom line is we will always give our clients advice that is best for them, and in the end this always pays dividends for everyone.

If you would like to chat to us about how we could help sell your home in Devon, Dorset or Somerset then please call us on 01297 22186 or 01823 665210 (seven days a week).

SPOTLIGHT ON MY SERVICE

Name: **Michelle Hague**
Service: **Hypnotherapy**

Hypnosis Helps Irritable Bowel Syndrome

MICHELLE Hague writes about common presenting conditions and the use of Clinical Hypnosis to help reduce their impact on daily life. Irritable bowel syndrome (IBS) is a common gut disorder. The cause is not known. Symptoms can be quite variable and include abdominal pain, bloating, and sometimes bouts of diarrhoea and/or constipation. Symptoms tend to come and go. There is no cure for IBS, but symptoms can often be eased with Clinical Hypnotherapy.

In severe cases IBS can have a crippling effect on someone's life, leaving them at their wit's end to know how to cope. When diarrhoea is the main symptom, the sufferer's life can in the worse cases be all but wrecked by fear of an uncontrollable explosive urge to use the toilet, leaving them sometimes afraid, or unable, to leave the house or ever be far from a toilet.

Yet clinically, "nothing is wrong," and for a number of patients, there is not much that doctors have to offer, often putting it down to stress and anxiety.

If you suffer from IBS there is some good news. The pioneering research of NHS consultant Dr Peter Whorwell in the UK (supplemented by Olaf Palsson in the USA) has now shown after many trials, that treatment of IBS with hypnotherapy can have an impressive success rate. Whorwell's NHS research has shown that the improvement continues long-term.

Hypnosis offers excellent prospects of success with IBS. There are various claims for how many sessions are needed. Whorwell's authoritative research between 6-12 sessions may be needed, but it can be much less. The treatment for IBS is not yet available on the NHS except in tiny areas of the country.

Hypnosis is not a cure-all. To quote Professor Whorwell, "A lot of hypnotherapists ... say they can cure anything. I don't." I totally agree. I aim to offer "hope without hype." As always the advice is to check you are working with a qualified Clinical Hypnotherapist, look for accreditation with the BSCH or CNHC to ensure their training is suitable, and never be afraid to ask about how long they have been in practice.

CARING FOR THE ELDERLY

Glory Days
AU-PAIRS for the elderly

**Are you elderly, living alone, needing a helping hand?
Have you considered employing a live in au-pair?**

Perhaps you thought Au-pairs are exclusively for children
Au-pairs are also suitable for helping elderly couples or singles.
Hundreds of active pensioners in need of companion/carers live happily with an Au-pair.
The Au-pair becomes a family member, they help in everyday life, so you can continue in your usual lives.
At night you're not alone, you live in your own home, day time an Au-pair can provide company.
An Au-pair can help with, light house work, washing, ironing, cooking, tidying, shopping, car driving and pet care.
Sadly an Au-pair is not a nurse and should not be required for medical purposes.
The Au-pair movement exists to arrange accommodation for young people from abroad.
Salary is paid weekly as "pocket money"
They will be provided with their own room, lighting, heating, food and friendship, in return for brightening the daily lives of lonely people who need reliable help and companionship.

Cost of fuel remains biggest concern for used car buyers

FOLLOWING last week's announcement by Chancellor George Osborne to further delay the 3p increase in fuel duty, new research from leading vehicle auction company, British Car Auctions (BCA), highlights motorists continued worries about the cost of fuel. Over 60% of respondents to the BCA research cited the cost of fuel as their biggest motoring concern.

The BCA data, based on research conducted at the end of May and early June, also reveals that motorists have been changing their driving behaviour to try to combat rising motoring costs.

"Our research shows that the cost of fuel remains the top priority for motorists, with many changing the way they drive to maximise their fuel efficiency," said BCA spokesman Tim Naylor. "With this in mind, the postponement of the fuel duty increase combined with a general reduction in fuel prices in recent weeks will come as a relief to many motorists."

Data from the BCA research reveals that 63% of motorists said they have cut back on car usage in the past year due to the increased cost of fuel with nearly 45% opting to walk more as a consequence.

Using more public transport was the second most popular alternative to save on fuel costs at 33%, with London drivers topping the table for using public transport at 50%. South East drivers came second at 34.5%, followed by Midlands motorists at 29.1%;

South West drivers at 27.9%; and North West drivers at 24.6%.

However, despite 63% of respondents from the across the country saying they are limiting their car usage in the face of rising fuel prices, nearly 65% still fill up the tank when they go to the petrol station.

South West motorists top the table in filling up their tank at 70.2%, closely followed by drivers in the South East at 70.1%. London motorists were the least likely to fill up their tank at 56.4%. This could reflect that city dwellers are more likely to have better public transport links to fall back on, making it easier to get around without a car.

"At BCA, we have seen increased demand for smaller, fuel-efficient vehicles, as UK households look to cut their motoring costs and consequently values have tended to rise for these more economical cars", concluded Tim Naylor.

Key survey findings: (817 responded to survey)

- 94% drive their own car
- 73% use their car every day
- For 55.4% they share their car usage with 1 other
- Nearly 18% drive a car 7-10 years old
- Cost of fuel is the main concern for 60%
- 63% have cut back on car usage in the past year
- 44% are walking more often to cut motoring costs

AXMINSTER 1ST XI 54

DARTINGTON & TOTNES 167-8

PAUL Miller has decided to step down from his position as Axminster 1st team captain, with Tristan Wakeley moving up from vice-captain to take over.

Miller, along with Alex Wraight was unavailable to play on Saturday so the team travelled to Dartington & Totnes with a slightly weakened side.

The new captain won the toss and inserted the hosts. Matt Pile and Dan Fuzzard once again bowled with great control. Fuzzard struck once and Pile was extremely unlucky not to take two early wickets with edges falling just short of the slips.

Robbie Prior was available for Axminster again, and proved why he is so important to the club taking 4-34 from his 13 overs.

The only other wicket came from Wakeley. There were also two very good run outs, the first from Pile chasing an edge down to third man, and the second from good team work between Peter Kiy and Wakeley as D&T were restricted to 167 for 8.

The Axminster reply was lack lustre and no one applied themselves as the team were shot-out for a disappointing 54 all out.

Reflecting on recent events, Wakeley said: "It's a great shame Paul has taken this decision. Everyone within the team felt he was more than adequate to fulfill his role, but all good things come to an end."

"Thankfully he will still make himself available for selection, so hopefully he will continue scoring runs.

"Current results and our league position shows we, as a team, are struggling, which is perhaps to be expected with seven different players from last year, many of whom are young and inexperienced at 1st XI standard. But continuous availability issues don't help either.

"Regardless of this I expect everyone to try their hardest for the team, and hopefully we can string a few positive results together".

SEATON 1ST XI 86-7 WHIMBLE 85 ALL OUT

SEATON travelled to Whimble looking for a win to keep up with the D Division promotion-chasing pack.

Seaton captain Ben Morgan won the toss and asked Whimble to make first use of the damp, sticky wicket. The hosts got off to a good start until in-form opener Phil Collins struck three times leaving Whimble wobbling at 40-3.

Joe Berry replaced Ben Copp and took a wicket in his third over.

Morgan then replaced Berry and took a wicket in his first over. Collins finished his 13 over spell with impressive figures of 3-21.

Morgan continued to take steady wickets and he and Berry bowled well in tandem as Whimble were bowled out for 85 with six overs to spare.

Morgan finished with superb figures of 9-8-3-4 and Berry 3-43 as Seaton put in a superb collective bowling and fielding display.

The visitors' reply didn't start too well as Alex Hunt was trapped in front and after a few lusty blows Matt Hancock soon followed.

Steve Pritchard continued his good form until he was well caught and bowled leaving Seaton 45-3. Mark Bray and Ed Hunt then staged a solid partnership until Bray was out LBW for 31.

Hunt followed soon after and was followed by Reid Mawdesley next ball. With five required for victory Mike Wheeler took Seaton to within one run of the winning line when he received a full toss that that was smashed straight into the hands of mid-off.

The win was secured when an unfortunate young Whimble bowler bowled a wide to hand Seaton victory by three

wickets.

Seaton finished with 17 points and remain 3rd in the table. Morgan said: "Again our fielding and bowling was excellent, but our batting let us down. It is a very close league and everyone is beating each other but at the halfway point I am pleased with our performances as a whole but there is still room for improvement."

"We host Countess Wear on Saturday - they have had an up and down season - we lost to them on the opening day - so we should be in for an interesting game".

ALL SAINTS 82 WATCHET 2NDS 83-6

A GOOD All Saints fielding display was not enough to salvage their game against Watchet 2nds.

Skipper Mike Nunns once again lost the toss and was once again asked to bat.

A weakened line-up failed to make any in-roads with Derek Seward the top scorer on 14 as the home side capitulated to 82 all out.

Watchet's batsmen also played poorly, with only one player making double figures.

Unfortunately for Saints, having been dropped earlier, Strong made 44 not out, and the visitors won the game by four wickets, despite a spell of 4-30 from Nunns.

HONITON 2NDS 195-3 CLYST HYDON 194-9

HONITON 2nds inserted visiting Clyst Hydon as keeper Tom Strawbridge would have to leave early to attend a kite surfing event.

Andy Brinsford claimed the first scalp with a leg before shout to one which would have gone on to hit the base of leg stump.

With the score on 55 Doyle poked a drive to mid on Corey Lapping held on to a tumbling catch.

Craig Lapping claimed a second victim as Strawbridge effected a smart leg side stumping. Richard Hill (3 for 33) and Andy Brinsford (2 for 40) returned to restrict Clyst to 194-9.

The reply reached 63-3 with over 130 still needed before Captain Andrew Lapping (67 not out, 6 fours, 2 sixes) and Dixon (63 not out, 8 fours) compiled a magnificent 132-run unbeaten partnership to see Honiton home.

ON THE SPOT...

VIEW FROM Sport puts Seaton Cricket Club's MARK BRAY UNDER THE SPOTLIGHT

Q How long have you been involved in the local cricket scene? Who have you played for?

A I have been playing regular adults league cricket since I was 13. I started with Axminster 4ths then moved to Uplyme & Lyme Regis the next season then finally ending up at Seaton. But have been known to turn out for anyone who offers a game.

Q Name the three best players you played alongside so far and why.

A Ben Copp does a job, week in week out, for us and is a great addition to have back this year. John Waterhouse plays most of his shots in the V which visually is great to watch. Finally Mike Cottam - I only saw him bowling off a few paces but still one of the best I've seen.

Q What's the best away ground you've played on?

A Trowbridge CC in Wiltshire is a great ground with a fantastic old pavilion. North Perrot CC is another great place to play your cricket. In Devon, I would have to say Sidmouth and Exmouth are way up there.

Q Do any games stick in your memory?

A An end of season game against Stoke Gabriel few years ago. Neither team could go up or down so we hired a mini-bus and dressed up as pirates. Both teams scored three hundred plus runs. But in this run fest I missed out and got 0 whilst everyone else was smashing the ball to all parts of the ground.

Q How would you improve things at Seaton CC?

A We have a great Colts set up under Steve Pritchard and Peter Anderson which produces a lot of young players for the club. What I would love to see is the 2nd XI being promoted. It would give these young cricketers that mostly populate the team a better standard of cricket which means more chance of knocking on the 1st team door.

Q What is your top score/best bowling performance?

A I've had a 149 the day after the game just mentioned. Don't know how I did it seeing as there was a little celebration the night before. I tend not to bowl with good reason as most will say.

Q Name some young players we should look out for in the future.

A Reid Mawdsley - he made the 1st team at the end of last season and has made the Devon Under 15s. I've never seen anyone hit a ball that well at that age. James Thomas has impressed me in Sunday Cricket. He normally opens the bowling and does a very good job. Finally, I've only played with him a couple of times but Sam Farrow of Axminster. He is a great leg spin bowler who can turn the ball along way.

HONITON RUNNING CLUB

HONITON Running Club's Stephen Boyes' plan for last weekend was to ride pillion on a motorbike with a friend from Lands End to John O'Groats stopping off en route to run the Cheltenham Challenge Marathon. The marathon proved to be the easy part *writes Judy Davey*.

Steve managed to finish in 4 hours 43 minutes having only got lost once! However, the motorbike ride did not go as planned since the weather was worse than February. The John O'Groats leg was postponed due to the heavy rain.

Graham Reeves and Lesley Crocker took part in the Torbay Half Marathon on Sunday 24th June. It was a good race with a strong field.

The men's winner, Tewodros Shiferaw of Birchfield Harriers, crossed the line in 01:06:14 and the female winner Annabella Granger, of Bristol and West AC completed the race in 1:21:20. The race was well supported on the streets during the two lap route from Paignton to Torquay and back with a couple of hills thrown in for good measure.

As the runners entered Torquay they were even serenaded by two gentlemen belting out some classic tunes.

The rain held off during the race and thankfully it was not too warm; the only frustrating issue was a problem with 100 of the timing chips, this was finally resolved by Wednesday and Lesley was delighted to discover that she had completed the run in 01:55:42, a new personal best time.

This was Graham's fourth half marathon this year and he managed his third pb. He finished 93rd in a time of 1:32:04.

Five Honiton runners took part in Sidmouth Running Club's 'Beat the Bus' last Wednesday evening.

Runners begin at Otterton at exactly the same time as the bus leaves for Sidmouth. Obviously, the bus takes the road route whilst runners take the more direct off road route to Peak Hill in Sidmouth and back again. Time is recorded for both runners and the bus as they arrive back at the start in Otterton.

Steve Davey was first back for Honiton in 45 minutes 30 seconds in 16th position with Bruce Strawbridge not too far behind in 19th place in 46:35. Howard Bidmead was next back in 27th position in 49:37.

Olivia Higginson and Nick Bradley-Carter often have a battle for finish position and this time Nick was defeated because he took a wrong turn and had to be brought back on track by a marshal on a quad bike. This meant that he lost valuable time and Olivia made the most of it coming in 49th place in 55:43 with Nick 54th in 56:56.

The bus took exactly 59 minutes finishing 61st meaning that Honiton could celebrate as all its runners managed to 'Beat the Bus'. There were 87 runners altogether... and the bus!

golf round up

AXE VALLEY GOLF CLUB

Seniors with Iain Bain

ONCE again on Friday the wind was unrelenting in its ferocity for the final round of the Seniors Masters event.

After leading from the start there was never any doubt that Tony Strong (9) would emerge as winner, which he duly did with a final round of 76 nett and a total of 295, nine strokes ahead of runner-up Mick

Tomes (17) on 304. Four players tied for third on 316: Peter Motson (28), Bill Polley (16), Gerry Turner (11) and Nick Stanton (22).

The medal was won by Bill Polley with an excellent 72 nett, second place went to Phil Christmas (24) with 73 nett, while two players carded nett 75s.

Third place on countback went to Terry Jessup (20), with Mick Tomes the player to miss out on the prizes.

GRAHAM Newton travelled to Woolacombe to run the North Devon marathon, a tough coastal route running through an area of outstanding natural beauty with breathtaking scenery *writes Dave Mutter*.

Despite yet again taking a wrong turn and running two or three miles in the wrong direction Graham still managed to finish in 4 hrs 15 minutes to win the male over 60s title and was presented with a very impressive trophy. Patrick Devine-Wright fared a lot better, running superbly to finish fourth overall.

Sometimes events turn out to be not quite what was expected and the Forde Abbey Cross Country 10K was just that. There had been a torrent of rain during the daytime and one river crossing was missed out, leaving what should have been a shallow crossing, but the water speed and depth actually knocked people over.

England were not the only ones penalised this week - there were some problems with route marking resulting in AVR's Liam Roberts, who led all the way, being demoted to second place as some Crewkerne runners accidentally took a short cut.

Liam almost went wrong, but Bridport runner Joe Allen called him back to the correct route. Alex Todd was the second AVR finisher, then Chris Keefe, Jon Day in 43:17. Eleanor Wood finished ahead of Ian Clements, then followed Dave Thomas in 47:57, Robin Britton and Richard Hale in 57 min.

Gill Day and Janet Woodward supported each other all the way around as did Diane and Graham Newton. Sue Venn was very pleased with her 69 min time as, despite the conditions, she was quicker than last year.

Matt Morbey, Gavin Warren, Sam Tooze, Claire Moles and Gill Day took the trip to Paignton to run the Torbay half marathon.

The rain held off and running conditions became perfect. The race is a traffic free two lap route which starts on Paignton seafront, heads towards Torquay taking in the coastal views of Torbay and finishes back at Paignton seafront.

It was a fast flat course and all five got P.B.'s. Matt was 1st home 35:1st, 1:45:44 then Gavin 59:1st, 1:55:21; Sam 84:1st, 2:05:08, Claire 87:2nd, 2:06:26 and finally Gill 102:7th in 2:16:15.

There was a good turnout for AVR's AGM held at Beer Club last week. It was over almost as quickly as Chairman Garry can run a couple of miles.

It was a very positive affair, with the main changes for the coming year being Sue Willer has stepped down from the secretary's position with Bridget Keefe taking over and Sue Tubbs has resigned as treasurer with Dave and Liz Thomas now in position.

Many thanks to both Sue's for their excellent work over the past years. Other highlights were Bernard Fry being made an honorary member and no music will be allowed on the handicap runs in future.

football summer round-up

UPLOWMAN Athletic have informed the Fresha Devon & Exeter League that they will be withdrawing one of their two teams.

The mid-Devon club have risen to Division Two after a number of successful seasons, with their Reserves up to Division Five. They have requested to fold their first team, but the League are to make the final decision.

A statement from the club secretary Martyn Tapp reads: Following a committee meeting last night with much regret we feel the need to withdraw a team from the league and run one side for the coming season.

This decision has not been made lightly but for a number of reasons, with Paul Forman leaving the club after many years of hard work and effort and the fact that a large number of players have seen that as the right opportunity to move to other local clubs (with Tiverton, Elmore, Westex and Bickleigh all strong in the area we are in a transitional period).

We strongly feel in the best interest of Uplowman FC to withdraw the first team and not the reserves as we may not remain competitive at the higher level. That would then affect the moral of the players and in turn make it harder to raise a side.

On behalf of the club I would like to apologise for the inconvenience this is going to cause you and the league but sadly we believe this is the only way we can keep the club running at this stage. We will obviously pay any fines that we will incur.

PINHOE: Pinhoe AFC begin pre-season training on Tuesday, July 3rd from 6.30pm-8pm. They will be fielding two sides next season, a first team in Division Two and Reserves in Division Eight. Pinhoe welcome players old and new and anyone else interested in getting involved in any way. For more information please contact Club Secretary Jamie Leisk on 07834 805793 or at jamie@lmbuildingcontractorsltd.co.uk

LAPFORD AFC: Training at Lapford starts on Thursday, July 5th at 7pm. Lapford will be operating in Division Five and Eight, with the first team managed by Mike Ford and the Reserves by Gavin Burrows who can be contacted on 07825 758879. Old and new players welcome.

TEDBURN ST MARY FC: Tedburn St Mary FC will resume pre-season training at Barley Park last week. Teams will be competing in Divisions Three and Seven; old and new players are invited to attend. The club is looking especially looking for a goalkeeper to improve the reserves and push the first choice keeper. The club are also looking for match day assistants and first aiders. Training can be given for both positions. For more information contact first team manager Jamie Hawker 07796 on 958365.

FLAMINGOS held on to the top spot in what is now a two-team race with OPG. Flamingos started 12 goals behind Pixies, but at half way were 22-18 in front. Flic Elliot was playing well for Pixies at centre, but they found it hard against the defence of Sarah Clark. The final result was a 51-21 win for Flamingos.

Meanwhile OPG kept up the pressure thanks to their win over JD Tyres. By half way OPG were 22-17 ahead. With Hannah Lee in good defensive form. JD Tyres did enough to gain a well earned point from their 25-43 defeat.

Final game of the night saw Updownman beat Sidmouth Toucans 45-34 to move up into third place. Star of the Updownman show was Mandy Norman whilst Kirsty Platt was topToucan.

hockey Honiton League

LAST Tuesday evening saw both semi-finals of the Honiton Summer Hockey League played. The first of the evening was Honiton 2nds against Chard; and the second featured saw Newton Abbot take on Ottery Crickets.

In the former match both sides worked hard to create opportunities that were, in general, not capitalised upon. However, Honiton's Caroline Hill scored a fine goal in the first-half, so Honiton went into the half time break one goal up.

shoot-out

But Chard levelled midway through the second-half and with no further goals the match was decided by a 'penalty shoot-out'.

Five members from each team took it in turn to strike the ball and at the end of this section each team had scored one goal (Becky Hammett for Honiton)

Into 'sudden death' went the next two players from each side - and both sides succeeded in defeating the opposition goalie for the first of each attempt (Amy Phillips for Honiton) but of the second pair it was only the Chard player who succeeded; so Chard go onto the finals in a fortnight's time.

In the 2nd semi of the evening Newton Abbot beat Ottery Crickets 3-1. This game had its moment of controversy when a Newton player was carded!

But her team are to be Chard's opponents in the final with Honiton playing Ottery for 3rd and 4th placings, also in a fortnight.

Olympics build up Imogen on the brink

NEWS PENDING: Imogen Cairns is due to find out tomorrow if she will be competing in the London 2012 olympic games

EAST Devon gymnast Imogen Cairns faces an anxious wait before learning whether she has been selected to represent Great Britain at the Olympic Games in London WRITES KEVIN FAHEY.

Cairns, whose family live in the hamlet of Southleigh near Colyton, staked a strong claim to be included in the five-strong women's squad after a good performance at the British Championships, in Liverpool, over the weekend.

Coach Liz Kincaid said she was delighted with Carinis' performance and admitted she couldn't have done any more in the final trial before the selectors reveal their decision tomorrow (July 4th).

"I thought Imogen competed really well and now it is in the hands of the selectors," said Kincaid. "Imogen can't do any more and must now just wait and hope."

Cairns already has one Olympic appearance on her CV after competing in Beijing four years ago and while she would love to repeat that feat on home soil next month she accepts that competition has been tougher than ever.

"We have already had two trials and a controlled competition and this was the fourth and final trial as part of the British Championships," said Cairns.

"There are ten girls competing for five places so it is pretty cut-throat. Unfortunately I have had really bad problems with my feet and have had numerous injections.

"That seems to have worked recently and I feel I have been competing well but whether it is enough I don't know. I think four of the places have already been selected and the rest of us are competing for one spot"

That won't unduly worry Cairns as she seems to respond well to performing under pressure and she only booked her ticket for Beijing in 2008 at the last minute.

"A few months ago I thought that going to the Olympics definitely wouldn't happen for me due to the injuries but I am a person who doesn't really start pushing hard until I can see the finish line," added Cairns.

"I have now done my best to get into the team and what will be, will be."

Busy time for bowlers

golf round-up

SOPHIE Keech narrowly failed in her attempt to retain The England Schools National Championships in warm sunshine at Kendleshire on the 25th June.

Sophie played a solid first round in the morning finishing -2 and one off the lead, getting birdies on the 9th and 18th, two very difficult holes.

After a short lunch break she kept up the momentum with a birdie on the first hole in round two that she ended -1, making her -3 for the 36 holes and leader in the clubhouse. Dulcie Sverdlhoff carded a strong second round card to also end up -3 overall, and pipped Sophie to the title winning on count back.

Sophie has been selected to play two England School Matches - Wales v England in August at Pennard Golf Club Swansea and England v Scotland in September at Hesketh Golf Club in Lancashire.

Five 2s were recorded and each player received eight balls. Nearest the pin for Ladies on the 2nd hole was won by Ann Vincent from East Devon.

Nearest the pin on the 12th for Men was won by Honiton member Terry Dimond.

Maggie & Max Pipe organised the event including the excellent prize table. Lady Captain Jackie Seager presented the prizes.

LADIES SECTION

WIND, rain, cloud and no run on the ball led to some disappointing scores in this week's Stableford, but not for Olwen Eaton who managed a great score of 38 points giving her a well earned 1st place in the Silver Division.

Jackie Seager also managed to tame the conditions and made 2nd place with 34 points. In Bronze 1 Division Lesley Oxenham played a very steady game and came in with 32 points to give her 1st place over Hilda Hoepelman in 2nd place with 31 points.

Andrea Squire was 3rd with 30 points, and Jenny Raison 4th with 28 points. The winner in Bronze 2 Division was Majson Stroud with 29 points, Cherry Liell was 2nd with 25 points and Pam Greenaway 3rd with 23 points.

SENIORS SECTION

EIGHTY seniors competed in the three-man team Stableford round. As a teaser, John Discombe arranged for one score to count on the even holes and two to count on the odd numbered holes.

John Discombe, Ian Hamilton & Howard Clayton won with 60 points, followed by Bill Eaton, Peter Dart & Tom Tunnicliffe. They scored 59 points, as did the following (who were separated on countback); Norrie Fleet, Harold Cook & Phil Faulkener with Angus Falconer, Bob Cleal & Norman Runci-man taking the final prize.

DEVON CAPTAINS 75TH ANNIVERSARY

ON Wednesday 27th June 128 Devon Captains arrived at Saunton to celebrate their 75th year anniversary with a special individual Stableford event.

Only the Liverpool and London Past Captains associations have been in existence longer than Devon and, to Mark the occasion, Dr. Nayyar Naqvi O.B.E. Past Captain Liverpool Captains and Past Captain of Wigan Golf Club was invited to address the members after dinner as the guest speaker.

As for the golf; despite near perfect weather conditions Saunton's East and West courses provided very stiff tests with the rough areas reflecting the recent ideal conditions for growth. However, while all others paid the price for missed fairways, Saunton's Brian Warren rose to the occasion to finish six strokes clear of the field on the Championship East Course with a superb 43pts.A real indication of the test was the winning score of 34pts on the West Course by Max Pipe of Honiton.
